Data reported by IHR
States Parties under the
International Health
Regulations (IHR 2005)

Orange circles represent total cases.
The boundaries and names shown and the designations used on this map do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

AGGIORNAMENTO 17 marzo 2020

Nota: i dati più recenti (riquadri grigi) devono essere considerati provvisori sia per il ritardo di notifica dei casi più recenti sia perché i casi non ancora diagnosticati riporteranno in parte la data di inizio sintomi nei giorni del riquadro grigio.
